## The COUNTRY GENTLEMAN

It will keep you up-to-date on your whole farm for a year

*Live Items About Livestock* is a weekly page of information about the breeding, feeding, management and marketing of all classes of livestock. It will give you veterinary advice—your own problems will be answered *without charge*. Also a weekly page on The Business of Dairying, and special articles giving the practical experiences of practical stockmen, dairymen and farmers everywhere.

*It's just as easy to be a business farmer* as it is to be just a farmer—and you make more money at it. The Country Gentleman treats farming as a business—with articles and suggestions every week for every activity of the farm. Field crops of every sort, livestock of every class, fruits both large and

small, truck for market and home, poultry for meat and eggs, plans of buildings and equipment, and a big woman's section with fashions, recipes, club reports and helpful hints—all these are within the scope of the great national farm weekly, presented by a large staff of practical farm workers.

*Answers to Your Hard Questions Free by Mail.* Simply write to the "R. F. D. Letter-box," enclose stamped envelope, and you get the advice of one of 100 experts.

*52 times a year—every week—less than two cents a copy.* For four years it has been sold at \$1.50 a year. *Now I am able to offer it for \$1 a year.*

### CARTHAGE PEOPLE PRAISE SIMPLE MIXTURE

Many in Carthage praise the simple  
mixture of buckthorn bark, glycerine,  
etc., known as Adler-i-ka. This re-  
medy is the most THOROUGH bowel  
cleanser ever sold being even used suc-  
cessfully in appendicitis. ONE SPOON-  
FUL relieves almost ANY CASE of  
constipation, sour or gassy stomach.  
ONE MINUTE after you take it the  
gases rumble and pass out. Adler-i-ka  
cannot gripe and the INSTANT action  
is surprising. CARTHAGE DRUG CO.
